United States ruler Donald Trump has called the United Kingdom and France, both allies, "foolish" for defying his demands and recognizing Palestine as its own state. This news comes as Israel continues its incursion into Gaza, while the genocide is ongoing.

Other nations such as Canada and Australia have also decided to defy Trump and the U.S., officially recognizing the State of Palestine during last week's UN General Assembly session, drawing condemnation from the US and Israel, according to a report by *RT*. (https://www.rt.com/news/625613-trump-us-allies-foolish-palestine/)

"Several countries have foolishly recognized the Palestinian state. Some of our European friends, allies, good people," Trump said at a press conference alongside Israeli Prime Minister Benjamin Netanyahu at the White House on Monday. "But they're really, I think, doing that because they're very tired of what's been going on for so many decades," he added.

Netanyahu thanked Trump for taking a "firm position that the Palestinian Authority could have no role whatsoever in Gaza."

On Monday, Trump unveiled a 20-point roadmap to peace, which calls for the disarmament of Hamas, the release of the remaining Israeli hostages in exchange for Palestinian prisoners, and the establishment of a transitional government in Gaza. Netanyahu warned that Israel "will finish the job" if Hamas rejects the deal. (https://www.shtfplan.com/headline-news/israel-doubles-down-on-its-goal-to-eliminate-hamas)

Israel Continues War On Gaza As Trump Says "Something Special" Is Coming (https://www.shtfplan.com/headline-news/israel-continues-war-on-gaza-as-trump-says-something-special-is-coming)

Israel has repeatedly stated that the elimination of Hamas is the ultimate goal of the war, and leaving it intact is not an option. Previously, Trump suggested that the U.S. military could simply seize Gaza, as he did with Greenland and Panama. Are we sure we want to trust this ruler with a peace deal?

This "war" won't end until greater Israel is created. Even then it will continue until all of us white folk are eliminated.

My thoughts, you request? Okay. The Zionist International has conquered America and the West, including a few nation/states outside of Europe. The Zionist International is so vast, of organizations and self-appointed individuals, of financial institutions, of by-now legislation to criminalize criticism of Israel, of control in media, of propaganda so well-funded as to be ubiquitous, all of which really must include the Zionist International as well, for it is an integral part of its industry. And an industry it is, just as much as the Zionist is international. That juggernaut–the Zionist International–is manipulating America and the West… Read more »

So, France and the UK are more concerned about the invasion of Gaza and the safety of the Palestinian people than the invasion of their countries and the safety of their own people. This whole situation has a semitic stench to it.

What for did Trump post THIS? (capitals not mine) After negotiations, Israel has agreed to the initial withdrawal line, which we have shown to, and shared with, Hamas. When Hamas confirms, the Ceasefire will be IMMEDIATELY effective, the Hostages and Prisoner Exchange will begin, and we will create the conditions for the next phase of withdrawal, which will bring us close to the end of this 3,000 YEAR CATASTROPHE. Thank you for your attention to this matter and, STAY TUNED! https://truthsocial.com/@realDonaldTrump/posts/115317679562891817 Did he / or the advising textwriters count from the time some interlopers entered the “promised… Read more »
